

press release

YCO at the monaco yacht show

Monaco, 1st October 2008

This year, at the 18th Monaco Yacht Show, YCO represented two of the largest and most prestigious yachts in the Show, the 60m M/Y Oasis and the 73m M/Y Silver. YCO also acted as Central Sales Agent for M/Y Princess Iolanthe (45m) and M/Y C2 (35m). After an enormously successful Show, YCO is now pleased to announce that serious interest has been shown in all four yachts.

The YCO Charter team also enjoyed an eventful and productive four days, receiving many enquiries for Silver, Oasis and Princess Iolanthe, all of which YCO was also representing for Charter.

Away from the Yachts and on the YCO stand there were demonstrations to Captains and Owners of the groundbreaking new technology YCO LIVE, the world's first totally live online yacht management system. Following huge demand for the service from all yachts currently under management and several requests at the show, it is expected that this will further consolidate YCO as the market leader in Yacht Management.

Finally, YCO Crew reports their most successful Show to date, having been one of this year's major sponsors of the popular Captains' Hideout. Several hundred Captains and senior crew visited over the four days, providing the YCO Crew team with an excellent opportunity to add many more qualified senior personnel to an already extensive database.
